Subject: Thanks for your prayers

Hi all,

As we are in the middle of the Fall semester, we are seeking to grow our discipleship ministries. Earlier in the month, we had one of our Mission Directors with Epic speak at our Fall retreat on the topic of discipleship. Praise God, that it was a good time of learning and fellowship. Since the beginning of 2020, we have been emphasizing discipleship and we are continuing to do so. Please continue to pray for people to have the heart, availability, and capacity in their schedule to follow Christ and to make disciples of all nations. Personally, I find that the journey of discipleship is one of blessing and sacrifice.

Praise God that two staff members have been called to serve at SJSU with Epic. Becky Yee has been a volunteer for the last four years and Lydia Yee was on PT staff with Epic in SF. Both are currently trusting God for a team to give toward their ministries and to pray for them. I am excited about them joining our team and please keep them in your prayers.

1. Please for us to grow in our discipleship ministries.
2. Please pray for Becky and Lydia as they trust God for their financial and prayer needs.
3. Please pray for the advancement of the gospel and student care of new and regular students.

I appreciate you all and your partnership in the gospel.

God bless,

Jerry Wong
