Subject: First six weeks of campus, need prayer

Hi all,

Hi. How are you? Praise God for the opportunity for me and our Epic leaders to meet a ton of freshmen on campus. Some students love being on campus, one guy I met says he feels lonely, most think the dining commons food is okay, and most seem open to Epic and to the gospel. We ask a variety of questions. I'll share with you two of the questions.

1. Would you be interested in a community for Asian Americans? When they say yes, then I and Epic leaders get the surveys. One thing to note is that they want to be in community with AA. With commuters, different age groups, and having a very different spiritual background, they are not all the same. We need prayer for them to connect, share, want to be together, and to hear from God. I've attached a flyer of our first six weeks and pls pray that God will use it to connect with students.

2. Would you be interested in talking with someone regarding what the Bible says about having a personal relationship with God? Most say maybe, less say yes or no. We have 11 Hindus, 10 none, 20 Catholic, 9 Christian, 3 Buddhist, 5 Agnostic, and 1 Muslim. School hasn't started yet, so we'll get much more. It's more comfortable if I meet with them and their roommate or with a friend. Their interest can be high for a few weeks to a month and then they start to make friend groups or join clubs. Some can still be interested, but in general we have found that we have a 3-4 week window to share with them. This is a strategic time to meet with students so please pray for appointments to meet with groups, roommates, and individuals. I will also be inviting student leaders and volunteers to help me.

Please pray for the attached first six weeks of Epic. We want to give students a chance to hear from God. We are trying to have some fun events to gather a crowd and to engage with the campus. Our theme is "consider and embrace eternal values." Thanks for taking steps of faith with me, for giving, and praying.

Thanks and God bless,

Jerry

EPIC SJSU

invites you
